

Bluetooth® Speaker | Battery play time: up to 6 Hours | Handheld Design | 30 W | Mono | Built-in microphone | IPX4

General information

Take your music with you - wherever you go - with this stylish, Nedis® Bluetooth® v5.0 speaker. Its built-in 2000 mAh battery ensures the tunes keep playing for as long as six hours on a single charge

The woven fabric design makes sure the speaker looks as good as the sound provided by its 30 W peak power.

With an IPX4 waterproof rating it's just as ideal for listening to music outdoors as it is indoors. The clear top-side panel makes it simple to change tracks or adjust the volume as required - and the handy integrated microphone means you can make or take hands-free calls from your phone.

Features

- Bluetooth® v5.0 technology - for a stable and solid wireless connection
- Built-in 2000 mAh battery - lets you play music for up to six hours non-stop on a single charge
- 30 W peak power sound - for depth and clarity
- Integrated microphone - for making and receiving hands-free phone calls
- Stunning, timeless design - wrapped in a stylish woven fabric
- Clear top-side control panel - to change volume or tracks with ease
- IPX4 waterproof rating - for outdoor or indoor use
